

OPWI Enjoy Afternoon Tea at The Alderley Hotel

A Birthday surprise for Karen.

The August monthly meeting was a little bit different - firstly it was held in the afternoon and secondly it was over a cream tea!

Members arrived promptly at 2pm and were seated at three long tables in the conservatory, which was light and airy.

Soon the room was filled with chatter and laughter as members caught up with each other. Tea was served and the tables were soon laden with lots of tasty treats, it was rude not to indulge.

One member, Karen Waddington, was celebrating her birthday and we couldn't let the occasion go unnoticed. She was served with a surprise glass of fizz accompanied by a cake with a sparkly candle, her smile said it all.

The afternoon flew by and ended with a few words from President June Leach.

All in all it had been a thoroughly enjoyable event and one that is sure to be repeated.

A huge thank you to everyone who had helped to organise this meeting. Superb!

Naughty but oh so nice!
