

'Meet & Eat' Group Get Together At The Blacksmiths Arms, Henbury

The Meet & Eat Group held their first lunch meeting of 2026 at The Blacksmiths Arms in Henbury.

This was the first time the Group had visited The Blacksmiths Arms and everyone clearly enjoyed themselves as they forgot to take any pictures - **really ladies we expect better** 😊

The Meet & Eat is always a popular event and this proved the case, as 10 ladies attended the lunch. The staff gave the group a nice cosy spot all to themselves and by all accounts it was that cosy that they were still chatting way past 3pm.

A few members wanted to know when and where the next lunch would be, and organiser Julie Houghton has promised to provide details at the next WI meeting.
