

# Over Peover W.I. “Meet & Eat” At The Drum & Monkey

The Drum & Monkey in Alderley Edge was the chosen venue for the April Meet & Eat. A group of nine ladies (WI members and one guest, Valerie) enjoyed the get together. For some members it was the first time they had visited and for others it was nice to be back to an old favourite.

By all accounts the food was good and being a smaller group they could all get round one table and have a good catch up.

As always, the time whizzed by and it went far too quickly. Organiser Julie Haighton was delighted with the lunch and the location. Indeed one member plans visiting with her friends when they come over from the USA. How lucky are we to have these places on our doorstep.

Roll on the next lunch and thanks to Julie for organising,
